And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be accounted for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1863.

DECEASED SOLDIERS.

PAR. 128. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to whom time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster-roll of the company to which the man belonged. PAR. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 1.—The effects in all cases, where called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commandar of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186–." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 130. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186–."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

ARTICLES OF WAR.

ART. 32. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1863.

DECEASED SOLDIERS.

PAR. 182. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 32d Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster-roll of the company to which the same belonged. Each inventory will be endorsed, "Inventory of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

PAR. 183. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 184. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the ——— day of ———, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one should be taken up by the officer who gives the Soldier these statements and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is returned. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the States and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be outlawed from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one should be sent with his final statement, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

PAR. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 93th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. PAR. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—,) ——— regiment of ———, who died at ———, the —— day of ———, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him. One copy should be sent direct to the Adjutant General and one retained by the officer.

War Department,

Adjutant General's Office,

Washington, April 15th, 1865.

Sir:

In reply to your letter requesting a Descriptive List of Christopher Morrison, a Private in Company "G", 43 Regiment Ky Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Christopher Morrison, a Private in Company "G", 43 Regiment of Ky Volunteers, is 20 years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 15th day of December, 1863, at the town of Ashland in the State of Ky by [illegible], and mustered into the service of the United States on the 31st day of November, 1863, at the town of Ashland, in the State of Ky, by Capt John A Henderson, to serve for the period of One year ~~or "during the war."~~

ACCOUNT OF PAY.

It is stated on the Muster Out Rolls of his Company ~~for the months of~~ Cold Harbor 14th 1864 that he was last paid by Paymaster Capt Davis to the 31st day of August, 1864. (—)

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from the Company Commander.

REMARKS.

Enlisted Oct 1st 1863 "Reported in action at Cloyds Mountain Dec 22 1864" (—)

Very respectfully,

Your obedient servant,

Thos M Vincent

Assistant Adjutant General

To Capt J Russell 34th Iowa

Mustering Officer

Camp Dodge Iowa

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander, and having been paid by the paymaster without the making out the soldier's final statements, should be endorsed with a statement to that effect by commanding officer. Such endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to complete a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

This soldier has blue eyes, dark hair, Light complexion, is Five feet ten inches high.

We the undersigned late Members of the U. S. Army & have the honor to represent to you the case of Private Greenville Stylor Co B 45th Kentucky Infty and recommend him for an honorable discharge from his said command. He is known by us to be a good & worthy citizen & has been during the War a good & brave Soldier and that We know that he is erroneously reported a deserter on his Co Rolls because as We are personally acquainted with the facts We know positively that it was a Wrong caused by neglect in his Company Officers - We know that he was given sick leave by Surgeon of his Regiment Dr L. L. Rowland 45 Ky Vol and that, When he came home he was taken very sick and before he recovered that the Regiment was discharged leaving him at home unable to join said Regiment - We hereby earnestly recommend him to your clemency and ask that the charge of desertion be removed & he be honorably discharged to Date Dec 25 1864 the Date of Muster-out of the Regt.

We have the honor to remain Sir

I Benj. R. Haley
Captain Co D. 45 Kentucky Vols
do hereby depose & say that
Granville Nelson of my said Company
was erroneously and wrongfully
reported a deserter under the following
circumstances. Viz - He was taken sick
at Lexington Ky and in my absence
was furloughed by my 1st Lieut
commanding the Co & Surgeon
45 Ky. his furlough gave him
leave of absence for 20 days to go home
and that said fact was not reported
to me and I in making out my
Muster-out Roll reported him
a Deserter being ignorant of the
facts - He went home and
was taken sick and was unable
to return to his command until
just before our Muster-out and
the Muster-Out Rolls being
made could not be changed
and the said charge has
never been removed.
And I hereby earnestly recommend
the U. S. Govt to remove said charge
of Desertion - as Private Nelson

was always a good & noble Soldier
and always did his duty well
and has shown himself to be
a brave & good soldier in
several engagements – and
I will cheerfully recommend him
for an honorable Discharge and
he can show all good & Record
as any Soldier ever bore & he
has always did his duty well
whenever ordered & I have never
known him to be insubordinate
And this is the only time that
anything has appeared against
him & this is I admit through
my negligence & ignorance – I hope
he will be furnished an
honorable Discharge –

I entered upon duty, by virtue of said Commission, on the 12th day of

I was last mustered for pay, as an enlisted man, to include the 29th day of

February, 186 4, and last paid as such to include the 29th

day of February, 186 4

EXAMINING SURGEON

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service. This soldier has Blue eyes, Light hair, Light complexion, is Five feet Six inches high.

I have the honor to enclose the affidavits of Capt Thomas Dawson late of Co 45 Ky Vol Cavalry and the affidavits of Benj Porter, and Jesse Mead, respectively, applying for discharge from the above Regt. The facts are clearly set forth in the affidavits of the Capt of their company and the men themselves. Previous to the change of this post from Dept to district Ky, 95 men who had not been mustered out or discharged were discharged by Genl Palmer & Davis. Genl Davis informed me, as also Col Liddell the chief mustering officer that I must apply to you. The men reported to Genl D- this morning through me. As they have come two hundred miles above here on the Ohio River I advised

them to go home until I could communi-
-cate with you, being informed that you
would order them & Col Liddell for muster
out.

I hope and that the proof in such
case is sufficient to order their muster
out with pay and allowances upto
the date of the discharge of their Re

which was the 24th day of Dec 18

I Benj Porter
a Private of Co. "E" 45th Ky M.V. Infantry
do hereby depose and Say - That
whilst Marching with My Regiment
and Company in Saltville Va that
my horse gave out about 15 Miles
above Pikeville Ky and I was
compelled to stop and rest him -
that after waiting a few hours to
see if my horse would be able
to travel I gave my Gun &
accourtrements to a Member of
the 13th Ohio V. Cavalry (which was
passing at the time) to carry for
me. After the command had
all passed and seeing that
my horse could not get any better
and be able to travel I Started
for the nearest United States Post
leaving my horse behind
which was at Prestonsburg Ky about
40 miles distant. After I had traveled
about 15 miles and was near Pikeville
I was Captured by the Rebel Forces
under Col Wm Smith who had about
300 men & who was coming up
in the rear of our Division thereby

Cutting off and Capturing all sick
& broken down men & horses —
this occurred about the 25th of September
1864. I was taken from thence by
the said Col Wm Smith & Wytheville
Va from thence to Richmond Va
thence to Salisbury N.C. from
thence to Florence S.C.
where I staid & was kept a prisoner
all Winter — Was taken from thence
to Charleston South Carolina —
from thence to Wilmington N.C.
where I was given to our troops
for Exchange. Was sent from
Wilmington to Annapolis Md — and
from thence Columbus Ohio where
after remaining a short time I
received a Furlough for 30 days
this was about the 20 day of March
1865. I went home and staid 30
days and when I started to go back
I found that I had lost my Furlough
I reported to my Captain at Catlettsburg
Kentucky and he told me that
if I had lost my Furlough I had
better report to the Mustering
Officer for this Department at Lexington
Kentucky I did so. But on
presenting myself there I was
told that he could not muster me
out of the service — But that I
had better report back to my
Captain —

I reported back to My Captain
at Catlettsburg Ky who told me to
go home & that he would send for
me when he found out how to get
me mustered out - I went home
& staid until about the first of
July when he sent for me & told
me to make the affidavit of
my History and report at Louisville
Ky for muster out & the proper
Officer

I made this Affidavit for the
purpose of showing my History
and for procuring an honorable
Discharge from the United States

I, Thomas Dawson late Captain Co. "E" 45 Ky V.I. M do hereby depose and say that - a Detachment of my Company started with the Regiment on the Saltville Va Raid - under Lieut D. H. Walker - who on his return reported to me that as Brigade Beef - Porters horses had given out & the said Porters had been compelled to be left behind about 15 or 20 miles above Pikeston Ky & as he had not heard from the said Porters - that he thought that Porters - was Captured by the Rebel forces which were at that time following our command. This happened on or about the 20 of September 186[illegible] whilst the Regiment was about 15 or 20 miles above Pikeston Ky - on the Saltville Raid " Nothing more was heard of

Porter until I was ordered
to make out my Muster-out
Rolls at Lattletsburg Ky—
Then not knowing what
had become of Porter—I was
compelled to report him as "Absent
without leave" My Regiment
& Co was Discharged and I
did not hear of Porter until
he reported to me at Lattletsburg
Kentucky, in the month of April
1865— He there told me that
he had been Captured by
the Rebels & taken to the South
& Kept until March 1865 When
he was sent back into our lines
and Furloughed at Columbus
Ohio— When he reported to me
he said his Furlough had
run out & that he had lost it—
I then gave him a Discriptive
Roll & told him to report to
the Mustering Officer of Ky at
Covington Ky & get mustered
out— as it was No use going
to Columbus again as they
could not muster him out
without his Furlough— He went
to Covington Ky reported as
ordered & informed by the officers
there that nothing could be
done for him as he had lost his
Furlough — He then returned
and reported to me & I sent
him home to stay with them
instructions to come down
as soon as I sent for him
And that I would inquire
& see what was necessary to
procure his discharge—
I know that his statements
as made are true both from
his own affidavit the proof
of others and his former
reputation & character in
the Service. He remained
at home until the present
month when I sent for him
& told him to take this
Affidavit & thy affidavit of his
own & report to the Proper Officer in
Louisville Ky— I make this
Affidavit for the purpose of
showing that the charge of
"Absent without leave" against
Benj Porter Co. "E" 45 Ky is
erroneous & wrongly reported—
and for purely the cause of
Justice, as I have no interest
in this Claim— and I would
therefore sincerely recommend
that Benj Porter be Honorably
discharged from the U.S. Service

I did so & took the said Rice

I Thomas Damron late Captain Co "E" 45th Ky V. M.I. do hereby depose & say - that about the latter part of April or the first of May 1864 near the town of Ironie Kentucky I ordered Private Jessie Mead to stop at said town & to take care and nurse Jacob Rice a member of my company who had been taken suddenly very sick which my said Co & Regiment were on a scout near the said town of Ironie - Ky -

After several days had elapsed Pvt Jacob Rice returned to my company which was then encamped near Ironie & reported to me that he had got the said Mead to go out in the woods to kill him & Squirrels & as he had not come back he supposed that Mead had been taken prisoner by some of the numerous bands of Guerrillas which were lurking in the neighborhood a

Private Mead did not return
& when I & my Company went
back to Lexington Ky I ordered
my Lieutenant to make out
the Pay Rolls & to make the
remarks opposite Meads name
as "absent without leave,"
as I did not know what had
become of him — But since
my Muster-out of said
Regiment I have heard facts
that satisfy me that the charge
of "absence without leave" was
erroneously reported on the
said Rolls in regard to
the said Mead Absence.
His own Affidavit the Statement
of others and his former
Reputation & Character warrant
me in believing that he was
Captured while out hunting
Squirrels for the said Rice
who was sick — and I also
believe that they kept Mead
in their Camp in Morgan
& Bath Counties Ky until
he was released by them about
the first part of February 1865
And I know that he then
immediately after his release
re-enlisted in the 5 3rd Ky &
was Honorably mustered out
of said Regiment at Louisville
in the Month of September
1865
And I would further state
that after the said Mead
had been Discharged from the
5 3rd Ky V.I. he asked me if
he could have it be mustered
out of the 45th Ky Regiment —
I told him he could have
it be mustered-out of said
Regiment and told him
to go home & wait until
I sent for him & in the
meantime I would see what
was necessary to get him
Discharged —
He staid at home until I
sent for him in July 1866 —
and I told him to take these
Affidavits & report to the
proper Officer in Louisville
Ky —
& I make this Affidavit merely
for the sake of Justice having
no interest whatever in the
Claim — And I would hereby
recommend that Jessie Mead
be Honorably Discharged from

Sir

I just received your note relating to the Descriptive list of Levi Porter of my Company. In answer to which I will say I cannot make it out for the reason that the clothing Book of my Co. was destroyed I think by the men that have Reenlisted. Therefore I cannot get the exact that these men have drawn and the clothing account must accompany the Descriptive Roll. It was by the order of Lt. Col. Clark that his pay was stopped on the Roll. He intends to hold the man until the Book is produced.

Very Respectfully your
J. Wesley Thornton

FINAL STATEMENT

OF

Wilson P. Porter Private

45th Regt of Vt Infty

VOLUNTEERS.

D,

Died May 4. 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify the fact upon the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

I CERTIFY, ON HONOR, That I have carefully examined the above named Volunteer, agreeably to the General Regulations of the Army, and that in my opinion he is free from all bodily defects and mental infirmity, which would, in any way, disqualify him from performing the duties of a soldier.

EXAMINING SURGEON.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service. This soldier has Gray eyes, dark hair, fair complexion, is feet inches high.

FINAL STATEMENT

OF

Prov. L. R. Roberson

45th Reg't of N. Miss Vols

C & C

VOLUNTEERS.

Dec 25 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him; and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that *fact* on the back of both these final statements, and also to the time he has pay due *for* having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and indorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to constitute a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the facts necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

VOLUNTEERS.

Dated July 21 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company that he may at once receive from the Paymaster the pay, &c., due him and the CAPTAIN or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter may retain as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was entitled pay in his final statements, the clothing account and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier who will receive all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or all charges that may be due him at the time of his discharge, and which may not appear on the final statements from the fact that his descriptive list is unaccessible. These accounts for back pay, &c., are passed by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge (sick, desertion &c. is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
